

Field Agriculture, Forestry and Fisheries**Review of Seafood Generic unit standards**

| Subfield | Domain | ID |
|----------|-----------------|----------------------------------|
| Seafood | Seafood Generic | 23687, 23688, 23835-23837, 24087 |

The Seafood Industry Training Organisation has completed the review of the unit standards listed above.

Date new versions published

July 2012

Planned review date

December 2015

Summary

These unit standards have been reviewed to ensure they meet the current needs of the industry and recognise the knowledge and skills required. A review group consisting of industry experts, workplace assessors and training provider representatives reviewed the unit standards in June 2012. Minor amendments were made to make the unit standards current and fit for purpose. The draft reviewed standards were presented for consultation and the final versions were endorsed.

Main changes

- Available grades now all read 'Achieved' only.
- All references to the Ministry of Fisheries amended to account for the formation and launch of the Ministry of Primary Industries (MPI).
- The range statement for Outcome 1 of unit standard 23687 was amended to better specify the minimum evidence requirements.

Detailed list of unit standards – classification, title, level, and credits

| Key to review category | |
|------------------------|---|
| A | Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number |
| B | Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number |
| C | Major changes that necessitate the registration of a replacement standard with a new ID |
| D | Standard will expire and not be replaced |
