Skills Active Aotearoa Limited has completed the rollover and revision, and reclassification of the unit standard listed above.

**Date new versions published**

**June 2012**

**Planned review date**

**December 2014**

**Summary**

Skills Active Aotearoa Limited has decided that this unit standard is better suited to the Recreation and Sport – Core Skills domain. This is to ensure accessibility to a wider audience within Recreation and Sport industries.

It was intended to reclassify this unit standard as part of a planned review of the *Recreation and Sport* subfield; however this review has now been delayed pending the outcome of the Targeted Review of Qualifications and so this unit standard is being reclassified on its own.

**Main changes**

Unit standard 13377 was reclassified from *Recreation and Sport - Management* in to the *Recreation and Sport – Core Skills* domain.
