Revision

Planned review date

December 2016

Summary

The revision was undertaken to move these unit standards, previously covered by the Consent and Moderation Requirements (CMR) document 0150, to CMR 0024; and to update the unit standards.

As part of the revision, some ambiguities in the unit standards that could have led to difficulties with assessment were amended. In general, the information in the unit standards was updated where necessary.

Main changes

- The unit standards previously covered by CMR 0150 are now covered by CMR 0024.
- Hyperlinks were updated where necessary.
- References included in the explanatory notes were updated.
- In unit standard 27079, outcome statement 1 was split into two outcome statements and the range statements and evidence requirements were updated.
