

Field Community and Social Services**Review of *Fire and Rescue Services - Airport* unit standard 20390**

Subfield	Domain	ID
Fire and Rescue Services	Fire and Rescue Services - Airport	20390

The Fire and Rescue Services Industry Training Organisation (trading as EMQUAL) has completed the review of the unit standard listed above.

Date new versions published

October 2012

Planned review date

December 2016

Summary

The review was undertaken as part of the ITO's planned review programme.

The review of this standard was based on comments received from industry as a result of a consultation and feedback process. Review teams, comprising of industry representatives, considered the comments and endorsed the changes that were made.

Main changes

- Replacement of the expiring unit standard 3331 as a prerequisite.
- Outcomes, evidence requirements, range statements, and explanatory notes were updated to reflect the present needs of the fire and rescue services industry.

Detailed list of unit standards – classification, title, level, and credits

Key to review category
