Revision of *Sport* qualification

National Certificate in Sport (Level 3) with strands in Event Management, Sport Administration, and Team Management [Ref: 0446]

Skills Active Aotearoa Limited has revised the qualification listed above.

Date new version published

October 2012

Summary

This qualification was reviewed and designated expiring in March 2010 with an expiry date of 31 December 2012. The introduction of the Targeted Review of Qualifications meant that intentions to develop a new Sports Administrator qualification may be delayed and the learners may potentially be disadvantaged.

Skills Active Aotearoa has responded to a training provider who sought a change to the expiry date to ensure candidates can complete the qualification. The qualification is currently delivered to trainees in a programme that has been developed to suit their seasonal coaching requirements. It was therefore necessary to extend the expiry date until a new qualification is developed.

Main changes

The expiry date of this qualification has been extended to 31 December 2014.

Transition

Version 6 was issued to indicate that this qualification has a new expiry date of December 2014.

This qualification contains standards that have been replaced. For the purposes of this qualification, people who have gained credit for the replacement standards are exempt from the requirement to gain credit for the expiring standards – see table below.
