

Field Community and Social Services**Revision of *Whānau Ora and Community Support* unit standard 26975**

Subfield	Domain	ID
Health, Disability, and Aged Support	Whānau Ora and Community Support	26975

Careerforce, the Community Support Services ITO, has completed the revision of the unit standard listed above.

Date new version published

April 2013

Planned review date

**December 2016
(unchanged)**

Summary

The unit standard listed above was revised to enable assessment to take place for a broader range of communication supports.

Main changes

An additional evidence requirement was added to outcome 3 and the range statement for evidence requirement 3.2 was amended to enable assessment against the standard in situations where access to interpreter services was not required. The standard still requires learners to demonstrate appropriate knowledge of the stated range of communication supports.
