Revision of *First Line Management* qualification

National Certificate in Business (First Line Management) (Level 4) [Ref: 0649]

NZQA National Qualifications Services has revised the qualification above.

Date new version published August 2013

The next qualification review is planned to take place during 2014.

Reason for the revision

Standard 23396 was a compulsory standard in this qualification, and is expiring. It has been removed from the compulsory section, so the qualification continues to be achievable.

Main changes resulting from the revision

Changes to structure and content:

- Expiring standard 23396 was removed from the compulsory section.
- Three credits were added to the requirements for Set 1 of Elective A to compensate for the deletion.

Transition

People currently working towards version 5 of this qualification may choose to complete the requirements for that version or transfer their results to the new version 6 of the qualification.
