Date new versions published

February 2013

Planned review date

December 2017

Summary

The seven standards in the expiring *Youth Work* domain were reclassified into the *Youth Development* domain.

Terminology and references were updated in all eight standards and the planned review date was extended to 2017.

Main changes

- The title and sole outcome of standard 7915 were amended to relate directly to what is required of the standard.
- Three of the eight evidence requirements of standard 7915 were deleted to keep the standard manageable and to focus learner activity and assessment on the outcome.
- Recommended entry skills and knowledge were added for standards 16849, 16850, 16856, 16857, 16861, 22256 and 22257.
- The glossary section of standards 16849, 16850 and 16857 were amended to be consistent with standard 22256.
- Evidence requirements and range statements for standard 16849 were amended to enhance readability and clarity.
- Outcome 2 of standard 16850 and associated evidence requirements were amended to avoid unnecessary repetition.
- Range statements and evidence requirements for the outcomes of standard 16856 were amended to enhance readability and clarity.
- The title of standard 16857 was amended to better reflect the outcomes.
- The purpose statement of standard 16857 was simplified.
- The range statement for evidence requirement 1.2 of standard 16857 was amended to be consistent with standard 22256.
- Evidence requirement 3.3 of standard 16857 was amended to be consistent with standard 22256.
- Evidence requirements for the outcomes of standard 16861 and associated range statements were amended to enhance clarity.
- The glossary section of standard 22256 was amended to better align with the reference.
- The range statement for evidence requirement 1.2 of standard 22256 was amended to be consistent with the evidence requirement.

- Outcome 1 and the purpose statement of standard 22257 were amended to provide better alignment with the title.
- The evidence requirements associated with outcome 1 of standard 22257 and range of evidence requirement 1.3 were amended to clarify the focus of this outcome.
- The definition of sub-culture in the glossary of standard 22257 was amended to future-proof the definition.
- The explanatory notes and references of all of the standards were updated.
- Standards 16849, 16850, 16856, 16857, 16861, 22256 and 22257 were reclassified.
