Ngā Mahi ā te Whare Pora	Raranga	7868

NZQA Māori Qualifications Services has completed the revision of unit standard 7868.

Date new version published **January 2012**

Planned review date **December 2013**

Summary

At a meeting held between moderators and whakaruruhau members it was agreed to revise this unit standard to correct editorial errors and re-align range statements and evidence requirements to ensure consistency of assessment.

Main changes

- Wording in evidence requirements (ER) 1.1 and 1.2 have been corrected to now read *one of the candidate's*.
- The range statement for ER 1.2 is also a requirement for ER 1.1. The statement has been incorporated into the range statement for Outcome 1.
- Outcome 3 – the word *whakapaka* has been corrected to *whakapapa*.
