Date versions republished**July 2013****Planned review date****August 2014****Summary**

Pursuant to section 5 of the Industry Training Act 1992, responsibility for above qualifications and standards was transferred from The Skills Organisation – Civil Defence to Fire and Rescue Services Industry Training Organisation (EmQual). This follows from the merger of Learning Sate with The Skills Organisation on 1 August 2012. As a result of Industry request on 20 December 2012 Fire and Rescue Services Industry Training Organisation (EmQual) got the coverage for Civil Defence.

Notes:

* Documents have been republished to show *Fire and Rescue Services Industry Training Organisation (EmQual)* as the Standard Setting Body (SSB), and the planned review date has been extended to August 2014.

** The Civil Defence Comprehensive Emergency Management Domain currently has no registered unit standards. However, EmQual has also taken over responsibility for it.
