Reinstatement of expired *Outdoor Recreation* qualification

National Certificate in Outdoor Recreation (Group Leadership) (Level 3) [Ref: 0449]

Skills Active Aotearoa Limited has reinstated the qualification listed above. The qualification is expiring and has been assigned a new expiry date.

Date new version published

March 2013

New expiry date

December 2014

Summary

This qualification was reviewed and designated expiring in October 2010 with an expiry date of 31 December 2012; and replaced by the National Certificate in Outdoor Recreation (Leadership) with strands in Abseiling, Bush-Walking, Kayaking, Mountain Biking, Rock Climbing, and Sea Kayaking [Ref: 1594]. It was expected that the Targeted Review of Qualifications process would be completed by this time, new qualifications would have been developed, and all providers would move to the replacement qualifications. In the interim, Skills Active Aotearoa has responded to a training provider who sought a change to the expiry date to ensure existing candidates could complete the qualification. It was therefore necessary to extend the expiry date until a new qualification is developed.

Main changes

The qualification was reinstated as expiring and will expire at the end of December 2014. Reverse transition has been included to allow candidates to complete the qualification using the replacement standard for expired standard 20142.

Transition

Version 5 was issued to reinstate the qualification as expiring with an expiry date of December 2014.

For detailed information see **Review Summaries** on the NZQA website.

This qualification contains a standard that has expired and has been replaced. Reverse transition has been included to allow candidates to complete the qualification using the expired or replacement standard. For the purposes of this qualification people who have credit for the replacement standard are exempt from gaining credit for the expired standard.
