Skills Active Aotearoa has completed the review of the unit standards listed above.

**Date new versions published**

**May 2013**

**Planned review date**

**December 2017**

**Summary**

Skills Active Aotearoa has undertaken a review of the Nordic ski unit standards at the request of the Nordic ski industry to ensure that they reflect industry best practice.

The review process included a technical review of industry best practice, consultation with experts and opportunities for widespread feedback via the Skills Active website.

**Main changes**

- Explanatory notes have been updated.
- Range statements have been amended.
- The importance of the *Snow Safety Code* has been re-emphasised across all unit standards.

The last date for assessment of superseded versions of these standards is 31 December 2014. Results will not be accepted where the assessment date is after the last date for assessment of the superseded versions of these standards.
