

**Field      Planning and Construction****Extension of expiry date for *Concrete Construction* unit standard 12028**

<b>Subfield</b>	<b>Domain</b>	<b>ID</b>
Construction Trades	Concrete Construction	12028

The Building and Construction Industry Training Organisation (BCITO) extended the expiry date for the unit standard listed above.

**Date new versions published**

**October 2013**

**New expiry date**

**December 2015**

**Summary**

This unit standard was reviewed and designated expiring in 2009 with an expiry date of December 2013. The Targeted Review of Qualifications has delayed the review of one qualification which contains the standard. The qualification involved is:

- National Certificate in Carpentry (Level 4) [Ref: 0016]

The BCITO has extended the expiry date for the unit standard in order to allow candidates to complete the qualification until the mandatory review is complete and suitable transition arrangements have been developed.

**Main changes**

- The expiry date for the unit standard was extended from 31 December 2013 to 31 December 2015.

**Detailed list of unit standards – classification, title, level, and credits**

All changes are in **bold**.
