

Field Māori**Rollover of *Tikanga* unit standards**

Subfield	Domain	ID
Tikanga	Tikanga Practices	16136, 16137

NZQA Māori Qualifications Services has rolled over the unit standards listed above to maintain their currency until they are reviewed.

Date new versions published

September 2013

Planned review date

December 2015

Summary

These unit standards were due for review in December 2014. It was expected that the mandatory review of all qualifications with mātauranga Māori content would have an impact on the review and development of these unit standards. Therefore, the Whakaruruhau agreed that unit standards 16136 and 16137 have their period of registration extended until December 2015.

Main change

- Planned review date was extended to 31 December 2015.
