Summary

Unit standard 23452 was revised and rolled over as part of a review exercise in 2013. As part of this revision and rollover, the last date for assessment for version 2 was set at 31 December 2014.

This revision extends the last date for assessment for version 2, to 31 December 2016, in order to reverse a negative impact on programmes of study selected by learners that the earlier last date for assessment caused.

Main change resulting from the revision

The last date for assessment for version 2 has been extended to 31 December 2016.
