

**FIELD Business**

### **Review of *Business* qualifications**

**National Certificate in Māori Business and Management [Ref: 0365]**

**National Diploma in Māori Business and Management with an optional strand in Iwi Management [Ref: 0366]**

NZQA Māori Qualifications Services has completed the review of the qualifications listed above.

### **Replacement qualification**

New Zealand Certificate in Business (Māori Business and Management) (Level 5)  
[Ref: 2712]

### **Date new versions published**

**February 2015**

The next qualification review, of the New Zealand qualification, is planned to take place during 2019.

### **Summary of review and consultation process**

The review occurred as a result of the mandatory review of Business qualifications, part of the Targeted Review of Qualifications (TRoQ), which included all Business qualifications at levels 2-6 on the New Zealand Qualifications Framework. The New Zealand Certificate in Māori Business and Management (Level 5) [Ref: 2458], which was developed as part of the mandatory review, was not listed with the other new qualifications developed in the Business review. This qualification was instead submitted separately, under the Mātauranga Māori Evaluative Quality Assurance (MM EQA) process.

The National Certificate in Māori Business and Management [Ref: 03656] will expire without replacement. The needs analysis did not justify this qualification in the modern environment; but it did identify indicators suggesting a need for qualifications at lower levels, which will be investigated in the near future. As such, the current National Certificate in Māori Management - Generic (Whakangahau ki Te Ao Māori - Workplace Practices) (Level 3) [Ref: 1432] is not included in this review, but will be reviewed in the future development of New Zealand qualifications in Business.

**Category C and D qualifications will expire at the end of December 2018.**

### **Main changes resulting from the review**

## Transition

The last date for entry into programmes leading to the replaced qualification is 31 December 2017. People cannot be enrolled in programmes leading to award of the replaced qualification unless there is appropriate time available to them to complete the programme and be awarded the qualification before 31 December 2018.

The last date to meet the requirements of the expiring and replaced qualifications will be 31 December 2018, when both qualifications will be discontinued. From that date no results can be reported against these qualifications. People currently working towards either the expiring or replaced qualification must complete the requirements by 31 December 2018.

It is the intention of NZQA Māori Qualifications Services that no existing learner will be disadvantaged by these transition arrangements. However, any person who considers they have been disadvantaged may appeal to NZQA Māori Qualifications Services:

## Key to Qualification Review Categories

<b>Category A</b> The qualification is published as a new version with the same NQF ID	Changes are made to SSB name, contact details or purpose statement
	No change is made to title, rules or components of the qualification
	No transition arrangements are required
<b>Category B</b> The qualification is published as a new version with the same NQF ID	Changes are made to title, rules or components
	The new version of the qualification recognises a similar skill set to that recognised by the previous version
	The SSB is confident that people awarded the new or previous version are comparable in terms of competence
<b>Category C</b> A new (replacement) qualification is published with new NQF ID	Transition arrangements are required if candidates must gain additional/different credits for the new version
	Significant changes are made to the qualification in terms of components, structure, type or level
	The SSB views people with the replacement qualification as being significantly different in terms of competence from those with the replaced qualification
	Transition arrangements are required
<b>Category D</b> Qualification will expire. There is no replacement qualification	Transition may be limited to phase-out dates
	Qualification is no longer required by industry
	The qualification is designated as expiring and a last date for meeting the qualification requirements is set
