	Geometry	91256, 91260
	Trigonometry	91259
Science	Agricultural and Horticultural Science	90160, 90924
Statistics and Probability	Probability	91267, 91268
	Statistics	91263, 91264, 91265, 91266

The Ministry of Education has rolled over and revised the achievement standards listed above.

Date new versions published

February 2015

Planned review date

December 2018

Summary

Feedback from users of the standards, and from NZQA, indicated that these standards were fit for purpose and a full review was not needed at this time. The standards were, therefore, revised and rolled over with only minor changes.

Main changes

- The planned review date for all standards was changed from 31 December 2014 to 31 December 2018.
- The last explanatory note of all the internally assessed achievement standards had the link to the webpage for the Conditions of Assessment updated.
- The last explanatory note of achievement standard 90924 has had the link to the webpage for the Assessment Specifications Resources updated.
- Where applicable, those standards have been revised to show that they derive from achievement objectives in *Te Marautanga o Aotearoa* (TMOA) as well as achievement objectives in *The New Zealand Curriculum*.
