

**Field Engineering and Technology****Review *Civil Plant Operation* unit standards**

Subfield	Domain	ID
Infrastructure Works	Civil Plant Operation	19675

The Infrastructure ITO has completed the review of the unit standard listed above.

**Date new versions published**

**July 2015**

**Planned review dates**

**December 2020**

**Summary**

Further feedback from industry resulting from accidents in the workplace required an urgent revision of 19675 and the development of a new unit standard to recognise the critical handling and safety requirements specific to the operation of handheld saws.

**Main changes**

- Level of unit standard 19675 adjusted to better reflect outcomes
- Title of unit standard 19675 amended to better reflect content
- Explanatory notes, outcome statements, and range statements of unit standard 19675 were amended to clarify assessment requirements

**Impact on existing organisations with consent to assess**

Current consent for			Consent extended to		
Nature of consent	Classification or ID	Level	Nature of consent	Classification or ID	Level
Domain	Civil Plant Operation	2	Standard	19675, 29028	3

**Impact on registered qualifications**

Key to type of impact	
<b>Affected</b>	The qualification lists a reviewed classification (domain or subfield) in an elective set The qualification lists a standard that has changes to level or credits The qualification lists a C or D category standard
<b>Not materially affected</b>	The qualification lists a standard that has a new title The qualification lists a standard that has a new classification

The following Infrastructure ITO qualifications are impacted by the outcome of this Review and will be updated when they are revised or reviewed next. The classifications and/or standards that generated the status *Affected* are listed in **bold**.

Ref	Qualification Title	Classification or ID
1660	National Certificate in Infrastructure Works (Level 2) with optional strands in Earthworks, Pavement Surfacing, Roads, Rural Contracting, and Utilities	<b>19675</b>

**Detailed list of unit standards – classification, title, level, and credits**

All changes are in **bold**.

<b>Key to review category</b>	
<b>A</b>	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
<b>B</b>	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
<b>C</b>	Major changes that necessitate the registration of a replacement standard with a new ID
<b>D</b>	Standard will expire and not be replaced
