Summary

The review of these unit standards was initiated through their scheduled review and the Targeted Review of Qualifications (TRoQ) for Environment Māori qualifications.

The standards were reviewed by Whakaruruhau over three hui held in 2014. All amendments to the standards were endorsed by stakeholders and the Environment Māori and Wāhi Tapu Whakaruruhau.

The last date for assessment of superseded versions of the reviewed standards is 31 December 2016. Results will not be accepted where the assessment date is after the last date for assessment of superseded versions of the unit standards.
