

Field Community and Social Services**Review of *Health, Disability, and Aged Support* unit standards**

Subfield	Domain	ID
Health, Disability, and Aged Support	Health and Disability Principles in Practice	28984, 28985
Health, Disability, and Aged Support	Older Persons' Health and Wellbeing	23920, 23923

The Community Support Services ITO Limited (Careerforce) has completed the review of the unit standards listed above.

Date new versions published

November 2015

Planned review date

December 2020

Summary

The review of the unit standards above was prompted by feedback that some of the evidence requirements and range statements imposed an unintended barrier to achievement.

The current unit standards were reviewed to remove these barriers while ensuring that they remained fit for purpose.

Consultation on the changes was carried out through a series of meetings and workshops with key sector representatives to seek feedback and endorsement during assessment development.

Main changes

- Evidence requirement 3.5 for unit standard 23920 has been amended.
- Evidence requirement 1.1 and its range statement for unit standard 23923 have been amended.
- Evidence requirement 2.1 was removed from unit standard 28984.
- The range statement for outcome 1 of unit standard 28985 was removed and applied in the relevant evidence requirements instead.

Detailed list of unit standards – classification, title, level, and credits

Key to review category	
A	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
B	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new ID
D	Standard will expire and not be replaced
