The Primary Industry Training Organisation has completed the review of the unit standards listed above.

Date new versions published   **17 September 2015**

Planned review date   **31 December 2020**

Summary

As a result of the Targeted Review of Qualifications process, Primary Industry Training Organisation (Primary ITO) has reviewed these unit standards to better reflect the requirements of the Graduate Profile Outcomes in the new Primary Products Food Processing qualifications.

Meetings with subject matter experts were conducted to identify the required content and review the content of existing unit standards.

It was identified that the reviewed unit standards should be replaced by eight new unit standards. In addition, eight further new unit standards were developed.

Main changes

- 11 unit standards were replaced by eight new unit standards.
- Eight new unit standards were developed to meet the industry and graduate profile outcome requirements.

Category C unit standards will expire at the end of December 2018
