

**Field Community and Social Services****Review of *Tramping* unit standard 428**

Subfield	Domain	ID
Outdoor Recreation	Tramping	428

Skills Active Aotearoa has completed the review of the unit standard above.

**Date new versions published** **September 2015**

**Planned review date** **December 2020**

**Summary**

The review of the unit standard 428 was prompted by the outcomes of the mandatory review of qualifications, specifically the listing of:

- New Zealand Certificate in Outdoor Experiences (Level 3) [Ref: 2570]
- New Zealand Certificate in Outdoor Experiences (Level 4) [Ref: 2571].

New unit standards were created and current unit standard 428 was reviewed to ensure that it is fit for purpose, relevant and aligned with outcomes listed in the new qualifications.

Feedback from stakeholders was gathered through an open consultation process and used to guide the development of the industry training programme and the development and review of the associated unit standards.

**Main changes**

The standard has been updated to reflect current industry practice which has led to minor changes within explanatory notes, outcomes, evidence requirements and range statements. The title and credits of the standard have been amended to take account of these changes.

The standard has moved from the *Tramping* domain to the *Outdoor Experiences* domain.

**Impact on existing organisations with consent to assess**

Current consent for			Consent extended to		
Nature of consent	Classification or ID	Level	Nature of consent	Classification or ID	Level
Domain	Tramping	3+	Standard	428	3

**Impact on registered qualifications**

Key to type of impact	
<b>Affected</b>	The qualification lists a reviewed classification (domain or subfield) in an elective set The qualification lists a standard that has changes to level or credits The qualification lists a C or D category standard
