Review of *Hairdressing* qualification

National Certificate in Hairdressing (Management) (Level 5) with strands in Assessment of Hairdressing, Tutoring in Hairdressing, and Salon Management [Ref: 0646]

The NZ Hair and Beauty Industry Training Organisation (Inc.) (HITO), in collaboration with identified stakeholders, has completed the review of the qualification above.

Summary of review and consultation process

A review of the industry skill requirements for hairdressing involved a range of industry stakeholders including Private Training Establishments, Industry Training Providers, employers, employees, learners, and the HITO.

The review was based on feedback received from stakeholders after a sector wide consultation process. This has resulted in two New Zealand qualifications at level 5:

New Zealand Certificate in Hairdressing (Advanced Colouring Skills) (Level 5) [Ref: 2726]
New Zealand Certificate in Hairdressing (Advanced Cutting Skills) (Level 5) [Ref: 2727].

These New Zealand qualifications were listed on the NZQF in March 2015.

The National Certificate in Hairdressing (Management) (Level 5) with strands in Assessment of Hairdressing, Tutoring in Hairdressing, and Salon Management [Ref: 0646] is no longer considered fit-for-purpose by stakeholders, and will be discontinued.

Main changes resulting from the review

Transition

The last date to meet the requirements of the qualification will be 31 December 2017, when the qualification will be discontinued. From that date no results can be reported against the qualification.

It is anticipated that no existing candidates will be disadvantaged by these transition arrangements. However, anyone who feels that they have been disadvantaged may appeal to the NZ Hairdressing Industry Training Organisation Incorporated at the address below. Appeals will be considered on a case by case basis.

Key to Qualification Review Categories

Category A The qualification is published as a new version with the same NQF ID	Changes are made to SSB name, contact details or purpose statement
	No change is made to title, rules or components of the qualification
	No transition arrangements are required
Category B The qualification is published as a new version with the same NQF ID	Changes are made to title, rules or components
	The new version of the qualification recognises a similar skill set to that recognised by the previous version
	The SSB is confident that people awarded the new or previous version are comparable in terms of competence
	Transition arrangements are required if candidates must gain additional/different credits for the new version
Category C A new (replacement) qualification is published with new NZQF ID	Significant changes are made to the qualification in terms of components, structure, type or level
	The SSB views people with the replacement qualification as being significantly different in terms of competence from those with the replaced qualification
	Transition arrangements are required
	Transition may be limited to phase-out dates
Category D Qualification will expire. There is no replacement qualification	Qualification is no longer required by industry
	The qualification is designated as expiring and a last date for meeting the qualification requirements is set
