

Field Engineering and Technology

Extension of expiry date for *Design* and *Technology* unit standards

Subfield	Domain	ID
Design	Design - Graphic Communication	7499, 7501, 7503
Technology	Systems Technology	7549

NZQA National Qualifications Services has extended the expiry date of the unit standards listed above.

Date new versions published

December 2016

Summary

The expiry of the unit standards will affect the achievability of current provider-developed Architectural Design qualifications that are still being reviewed as part of the Targeted Review of Qualifications.

The purpose of the extension is to remove the possibility of education providers and students being disadvantaged during the review.

Main changes

Expiry dates were extended from 31 December 2016 to 31 December 2018.
