### Field Manufacturing

#### Revision of *Baking* unit standard 15137

Subfield	Domain	ID
Food and Related	Baking	15137
Products Processing	_	

Competenz has completed the revision of the unit standard listed above.

#### Date new version published

# December 2016

### Planned review date

## December 2021

#### Summary

This revision was carried out for the following reasons: to correct some minor errors; update current legislation; amend evidence requirements to better reflect the needs of the industry; and clarify assessment requirements.

Consultation was carried out with baking industry experts and the revised unit standard is endorsed by the baking industry and Competenz.

### Main changes

- Explanatory note 1 was updated to reflect the new Health and Safety at Work Act 2015.
- Changes were made to evidence requirements and range statements to make them relevant and better reflect the needs of the baking industry.
- A last date for assessment of the most recent superseded version was added.
