ServiceIQ has completed the revision of the unit standards listed above.

**Date new versions published**

**July 2016**

**Summary**

The purpose of this revision is to update legislation, definitions and industry terminology to reflect the Health and Safety at Work 2015, which has regulations that came into force on 1 April 2016. This revision also remedies an issue with assessment.

**Main changes**

- All explanatory notes have been updated to reflect current legislation requirements, including the new Health and Safety at Work Act 2015.
- Explanatory notes for Level 3 and 4 standards were standardised to remedy an issue that arose during ServiceIQ external moderation processes, making the standards more accessible and aligning them more closely with the requirements of CMR 0112.
- Last dates of assessment have been updated.
- 14438 was revised and rolled over as the review date of December 2013 has also been updated to December 2018.
