**Review of *Rail Infrastructure* qualifications**

**National Certificate in Rail Infrastructure (Level 2) [Ref: 1683]**

**National Certificate in Rail Infrastructure (Level 3) [Ref: 1112]**

Competenz has reviewed the qualifications listed above.

These qualifications have been reviewed, and will be discontinued from 31 May 2016.

**Reason for the review**

Competenz led a review under the Targeted Review of Qualifications process.

- The review identified that these qualifications are no longer fit for purpose and have not been used for the last 3 years.
- Currently there is no demonstrated industry need or support for replacement qualifications.

**Main changes resulting from the revision**

- These qualifications are discontinued from 31 May 2016.

**Transition**

Transition arrangements are not necessary because no learners are enrolled in these qualifications.
