Review of *Biosecurity* qualifications

National Certificate in Biosecurity (Border Quarantine) with strands in International Cargo Clearance, International Vessel Clearance, International Aircraft Clearance, and International Mail Clearance [Ref: 0952]

Competenz has reviewed the qualification listed above.

The qualification will be discontinued from 31 May 2016.

Reason for the review

- This qualification has not been used for some time and is not fit for purpose any longer.
- The responsibility for developing and maintaining qualifications for this sector now lies with Primary ITO.

Main changes resulting from the review

- The qualification will be discontinued from 31 May 2016.

Transition

Transition arrangements are not necessary because no learners are enrolled in these qualifications.
