ServicelQ has extended the expiry date of the unit standards listed above.

Date new versions published

November 2016

New expiry date

31 December 2017

Summary

Delays in trainees commencing programmes leading to the New Zealand Certificate in Retail (Level 2) [Ref: 2234] and the New Zealand Certificate in Distribution (Level 3) [Ref: 2572], have made it impossible for trainees to complete these qualifications within the set duration. The expiry date of these unit standards has consequently been extended to December 2017 to ensure that trainees and programme providers are not disadvantaged by these delays.

Main changes

The expiry date for these unit standards has been extended from 31 December 2016 to 31 December 2017.
