Summary of review and consultation process

As part of the mandatory review of Business qualifications (which included all Business qualifications at levels 2-6 on the New Zealand Qualifications Framework), the scope for Māori Business and Management qualifications concentrated only on Levels 5 and 6. The Working Group for the qualifications shared their concerns that this was a shortcoming, to which the Governance Group agreed.

The needs analysis for the Level 5 Māori Business qualification (which was listed separately under the Mātauranga Māori Evaluative Quality Assurance (MM EQA) process) identified indicators confirming a need for qualifications at lower levels. These indicators were validated and evidence was found supporting the need for Māori Business and Management qualifications at Levels 3 and 4. As such, two new qualifications were developed, one at Level 3 (which replaced the National Certificate in Māori Management - Generic (Whakangahau ki Te Ao Māori – Workplace Practices) (Level 3) [Ref: 1432]) and another at Level 4.

These qualifications were submitted under the MM EQA process.
