Subfield	Domain	ID
Hospitality	Guest Services	22338

ServiceIQ has extended the expiry date of the unit standard listed above.

New expiry date December 2020

Date new versions published Month 2016

Summary

Industry requires the availability of unit standard 22338 for programmes offered under the National Diploma in Hospitality (Operational Management) (Level 5) with strands in Kitchen Management, Food and Beverage Management, Rooms Division Management, Functions Management, Quick Service Restaurants Management, and Food Services Management [Ref: 1245]. Unit standard 22338 is required for the core elective or to balance set of programmes, particularly for trainees working towards the Rooms Division Management Strand.

ServiceIQ, in consultation with industry, is working on the development of new standards for programmes towards the New Zealand Diploma in Hospitality Management (Level 5) [Ref: 2539].

ServiceIQ has extended the expiry date of above unit standard to align with the last date of assessment of the expiring qualification. This ensures that learners are not disadvantaged by the time-lag in the development process.

Main changes

The last date for assessment for unit standard 22338 has been changed from December 2016 to December 2020.
