Equine	Equine Care	29170

The Primary Industry Training Organisation (Primary ITO) has completed the revision of the unit standard listed above.

**Date new version published**

**November 2017**

**Planned review date**

**December 2020**

**Summary**

The Primary ITO has revised the standard to allow learners to fit and secure either a conventional harness or a quick hitch harness depending on workplace preference. This will remove any barriers to achievement for learners.

**Main changes**

- Minor changes were made to the wording of Performance Criterion 1.3 which allows learners to fit and secure gear which includes conventional harness **or** quick hitch harness.
