Revision of *Industrial Coatings* unit standard

Subfield	Domain	ID
Industrial Coatings	Protective Coatings	17547

MITO New Zealand Incorporated has completed the revision of the unit standard listed above.

Date new versions published

April 2017

Planned review date

**December 2020
(unchanged)**

Summary

As a result of input from industry, the above unit standard has been revised to continue its achievability. The review date remains unchanged and the standard will be reviewed as planned within five years from the last full review.

Main changes

Changes were made to the explanatory notes and evidence requirements to remove industry standards and regulations that are no longer relevant.

The last date for assessment of superseded versions of this revised unit standard is December 2019
