Competenz has completed the republication and rollover of the unit standards listed above. The standards that have been republished are listed in **bold** above.

**Date new versions published****August 2017****Summary**

The unit standards were rolled over to extend the last date for assessment for current and superseded versions of the expiring unit standards to 31 December 2022.

Three unit standards were republished with changes to the last date for assessment of superseded versions (31 December 2022).

**Main changes**

- Changes were made to the “status information and last date for assessment for superseded versions” to extend the last dates for assessment.
