Skills Active Aotearoa has completed the review of the unit standards listed above.

**Date new versions published**

**November 2017**

**Planned review date**

**December 2022**

**Summary**

The review of these unit standards was prompted by the outcomes of the mandatory review of qualifications, specifically the listing of:

- New Zealand Certificate in Exercise (Level 4) [Ref: 3563].

Feedback from stakeholders was gathered through an open consultation process and used to guide the development of the programme of industry training for the qualification above, and the development and review of the associated unit standards.

New unit standards were developed to meet industry needs for exercise instruction for individuals.

**Main changes**

- One unit standard was designated expiring and replaced with a new unit standard.
- Fourteen unit standards were designated expiring and not replaced.
- Six new unit standards were developed.

**Category C and D unit standards will expire at the end of December 2020**
