Review of *Public Sector Core Skills* unit standards

Subfield	Domain	ID
Public Sector Services	Public Sector Core Skills	23268-23271, 25440

The Skills Organisation has completed the review of the unit standards listed above.

Date new versions published December 2017

Planned review date December 2022

Summary

The review is of unit standards associated with the use of data and statistics for policy development. They are listed in the expiring National Certificate in Public Sector Services (Official Statistics) (Level 5) [Ref: 1283], since replaced by the New Zealand Certificate in the Use of Data and Statistics for Policy Development (Level 5) [Ref: 3637].

The focus of the review is alignment with the Graduate Profile Outcomes (GPOs) of the New Zealand Certificate.

Main changes

- One unit standard was replaced by a new unit standard.
- Four unit standards were updated in terms of content and two of these had a credit increase.
- Although still classified in the *Public Sector Core Skills* domain, the unit standards were made accessible to practitioners not necessarily employed in the public sector.
- A last date for assessment of superseded versions of reviewed standards was specified.

Category C unit standards will expire at the end of December 2020

The last date for assessment of superseded versions of Category B unit standards is December 2020
