Competenz has completed the revision of the unit standards listed above.

**Date new versions published**

**December 2017**

**Planned review date**

**December 2021**

**Summary**

Feedback from industry assessors indicated the range statements applying to the whole standard, stating the products required to be produced for competency, were not clear.

**Main changes**

- Range statements rewritten and clarified.
- The terms 'Explanatory notes' and 'Evidence requirements' were changed to reflect new NZQA terms Guidance Information and Performance Criteria respectively.
