Field   Agriculture, Forestry and Fisheries

Review of *Agriculture, Forestry and Fisheries* unit standards

Subfield	Domain	ID
Horticulture	Production Horticulture	2810
Primary Sector	Plant Pest, Weed, and Disease Control	27209

The Primary ITO has completed the review of the unit standards listed above.

Date new versions published   **February 2017**

Planned review date   **December 2022**

Summary

As a result of the Targeted Review of Qualifications process, Primary ITO has reviewed the unit standards above to better reflect the requirements of the outcomes listed in new qualifications. Primary ITO has also developed a number of new unit standards to meet industry need and reflect the outcomes listed in the new qualifications.

Key stakeholders and organisations with consent to assess have had the opportunity to review these unit standards and offer feedback. This consultation was through an online survey which ran for three weeks in October 2016. All feedback was actioned where appropriate.

Main changes
- Two unit standards have been replaced by one new unit standard.
- Twenty-one new unit standards have been listed.

Category C unit standards will expire at the end of December 2020

Impact on existing organisations with consent to assess

Current consent for			Consent extended to			
Nature of consent	Classification or ID	Level	Nature of consent	Classification or ID		Level
