	Dairy Product Safety and Risk Management	8969
	Dairy Workplace Health and Safety	22041

The Primary ITO has extended the expiry dates of the unit standards listed above.

Date new versions published**January 2017****Summary**

The unit standards have been rolled over to extend the last day of assessment to 31 December 2018. The rationale behind this is to align them with the expiry date for the National Certificate in Dairy Manufacturing (Laboratory Technology) (Level 4) with optional strands in Chemistry, Microbiology, and Sensory Evaluation [Ref: 0581]. This qualification is set to expire in December 2018.

Main changes

Nine unit standards were rolled over to extend their last date for assessment from 31 December 2017 to 31 December 2018.
