Skills Active Aotearoa Limited has reinstated and extended the expiry date of unit standard 20147.

Date new version published

January 2017

New expiry date

31 December 2020

Summary

In November 2016, it was drawn to the attention of Skills Active Aotearoa that learners enrolled in a specific programme leading to the National Certificate in Outdoor Recreation (Level 4) [Ref:1190] were affected by the upcoming expiry of unit standard 20147. This standard requires an extension of expiry date to allow learners to complete existing programmes of study as there have been delays in replacing the current qualification.

This extension will ensure learners enrolled in programmes containing this standard are not disadvantaged.

Main change

- Standard 20147 was reinstated and its expiry date was extended from 31 December 2016 to 31 December **2020**.
