

Field Service Sector**Revision of *Visitor Services* unit standard 24731**

Subfield	Domain	ID
Tourism	Visitor Services	24731

ServicelQ has completed the revision of the unit standard listed above.

Date new version published

July 2017

Planned review date

**December 2021
(Unchanged)**

Summary

Evidence required for achieving the standard was no longer available. This necessitated the removal of the relevant performance criterion.

Main changes

- Performance criterion 2.2 was removed.
- Changes were made to ranges of performance criteria 1.2 and 1.3 to remove the necessity of data being converted to percentages.
- A minor change was made to a definition under the Guidance Information.
