

Field Law and Security**Review of *Police* unit standards**

Subfield	Domain	ID
Police	Police Forensic Mapping	20281, 20282, 20284
	Police Traffic Crash Investigation	20285, 20286

The Skills Organisation has completed the review of the unit standards listed above.

Summary

These unit standards are not included by classification or ID in any qualification and have had no usage since 2012. The Royal New Zealand Police College assented to their expiry.

Main changes

All unit standards listed above have been expired.

These Category D unit standards will expire on 31 December 2017.

Impact on Consent and Moderation Requirements (CMR)

These unit standards have been delisted from CMR 0121.

Detailed list of unit standards – classification, title, level, and credits

Key to review category	
A	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
B	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new ID
D	Standard will expire and not be replaced
