Planned review date

December 2020

Summary

As these standards are approaching their *planned review date*, stakeholders were invited to contribute to their renewal. The consensus was that the standards should be rolled over and revised to facilitate transferring programmes from National to New Zealand qualifications. A full review of the standards is planned for 2020.

Main changes

- The planned review date was changed to December 2020.
- The standards were reformatted onto the new template.
- Minor changes to Guidance Information to update legislation and references.
