NZQA National Qualifications Services (NQS) has completed the extension of expiry dates of the unit standards listed above.

Date new versions published**May 2017****Summary**

In 2017, NQS received a request for the extension of expiry dates of the unit standards listed above from The Skills Organisation. This is in order for people already enrolled to complete national qualifications replaced by Public Sector New Zealand qualifications.

Main changes

The expiry date of unit standards above was extended to 31 December 2020.
