NZQA Māori Qualifications Services has completed the review of the unit standard listed above.

**Date new version published** **September 2017**

**Planned review date** **December 2022**

**Summary**

The *New Māori Dance* unit standards were reviewed as part of their review cycle to ensure they are relevant and fit for purpose, and their outcomes are achievable, coherent, and consistent with valid assessment practices.

The *New Māori Dance* Whakaruruhau met in September 2016 to review the standards. This one standard was removed from the original application and further consultation with the *New Māori Dance* Whakaruruhau took place.

**Main changes**

- Standard 22758 was replaced by a new standard; merit and excellence grades were introduced. Due to the low usage of *New Māori Dance* standards, adding grades would allow secondary schools to use this standard.
- Changes were made to the title, purpose statement, guidance information, outcome, performance criteria and range statements to ensure clarity for users.

**The last date for assessment of superseded versions of the Category C unit standard is December 2019**

**Detailed list of unit standards – classification, title, level, and credits**
