MQS received a request to extend the last dates for entry and completion for the National Certificate in Maori Business and Management (Level 4) [Ref: 0365]. This was to align with the entry and completion dates of a provider's qualification, which incorporates the requirements of the expiring national certificate.

The last date for enrolment (entry) into programmes leading to Ref 0365 is extended from December 2017 to June 2018. The last date to complete the qualification is extended from December 2018 to June 2019.

**Transition**

The last date for enrolment into programmes leading to Ref 0365 is extended from 31 December 2017 to 30 June 2018. People cannot be enrolled in programmes leading to award of this expiring qualification after 30 June 2018.

The last date to meet the requirements of the replaced qualification is extended from 31 December 2018 to 30 June 2019, at which point the qualification will be discontinued. No results can be reported against the qualification for completions that occur after 30 June 2019.

It is the intention of MQS that no existing learner will be disadvantaged by these transition arrangements. However, any person who considers they have been disadvantaged may appeal to MQS:
