Skills Active Aotearoa has completed the review of unit standard 7019.

Date new versions published

April 2018

Planned review date

December 2023

Summary

The review of this unit standard was prompted by the outcomes of the mandatory review of qualifications, specifically the listing of:

- New Zealand Diploma in Facility Management (Level 6) [Ref:3648].

Feedback from stakeholders was gathered through an open consultation process and used to guide the development of the industry training programmes for the qualification above, and the development and review of the associated unit standards.

The reviewed unit standard was found to no longer be fit for purpose, relevant nor aligned with outcomes listed in the new qualification.

New unit standards were developed to meet industry needs for facility management.

Main changes

- One unit standard was designated expiring without replacement.
- Seven new unit standards were developed.

Category D unit standard will expire at the end of December 2020**Detailed list of unit standards – classification, title, level, and credits**

All changes are in **bold**.
