

Field Agriculture, Forestry and Fisheries**Review of *Amenity Horticulture* unit standard 1676**

Subfield	Domain	ID
Horticulture	Amenity Horticulture	1676

Primary ITO has completed the review of unit standard 1676.

Date new versions published**April 2018****Planned review date****December 2023****Summary**

Primary ITO has reviewed this unit standard to better reflect the requirements of the outcomes listed in the new landscape qualifications.

Organisations with consent to assess, as well as industry stakeholders, had the opportunity to review this unit standard and offer feedback. This consultation was carried out by email in November 2017. All feedback was actioned where appropriate.

Main changes

- The unit was reclassified from domain Amenity Horticulture to domain Landscape.
- Minor changes were made to formatting to reflect the new template requirements.
- Title has changed to reflect content.
- Outcome titles and performance criteria were updated as a result of review.

The last date for assessment of superseded versions of this unit standard is 31 December 2019
