Māori Qualification Services (MQS) has completed the review of the unit standards listed above.

Date new versions published

December 2018

Planned review date

December 2023

Summary

These standards were reviewed to align with the recently registered New Zealand Certificates in Reo Māori and to meet MQS's ongoing unit standard review cycle.

The review was carried out in consultation with the Reo Māori Whakaruruhau. Due to the major change to the landscape for Reo Māori, it was identified that these standards did not reflect the requirements of the outcomes listed in the new qualifications. Eight standards have now been designated as expiring. As a result, 16 new Level 1, and 16 new Level 2, standards were developed to align with the mātāpono for the new Reo Māori qualifications (Mana Reo, Mana Ao tūroa, Mana Tangata and Mana Whenua).

Main changes

- Eight standards were designated expiring.
- 32 new standards were created to align with the Reo Māori qualification outcomes.

Category C unit standards will expire at the end of December 2019**Impact on existing organisations with consent to assess**
