Revision of *Textile Making* Qualifications

New Zealand Certificate in Industrial Textile Fabrication (Level 3) [Ref: 2543]

New Zealand Certificate in Industrial Textile Fabrication (Level 4) [Ref: 2544]

MITO New Zealand Incorporated has revised the qualifications listed above.

Date new versions published

November 2018

The next qualification review is planned to take place during 2019.

Reason for the revision

The qualifications listed above were revised to update the general conditions for programmes and remove the conditions relating to the graduate profile.

Main changes resulting from the revision

New Zealand Certificate in Industrial Textile Fabrication (Level 3) [Ref: 2543-2]

New Zealand Certificate in Industrial Textile Fabrication (Level 4) [Ref: 2544-2]

- Minor editorial changes.
- References to legislation updated.
- Conditions relating to the Graduate Profile removed.

Transition Information

There are no registered programmes leading to Version 1 of these qualifications.

All new candidates are expected to enrol in Version 2 from the date of publication.

It is the intention of MITO that no existing trainee should be disadvantaged by these transition arrangements.

Any person who considers they have been disadvantaged may appeal to the qualification developer – MITO New Zealand Incorporated info@mito.org.nz.
